# COMMUNITY FORUM

**“Your Voice  
is Needed!”**

Come out and share your concerns and suggestions for building a better Hempstead School District with Board of Education and Central Administrators.

All forums will be held at the  
**Hempstead High School Little Theatre**  
201 President Street  
at 6:00 p.m.

In an effort to maximize the outcomes of these forums, they will be group specific. Though we all share the common goal of our students flourishing in a safe productive environment. We don't all share the same concerns and/or objectives. Future meetings will be conducted as Town Meetings, but these initial meetings will focus on the concerns of the single group as listed on the calendar below. Thank you for your full cooperation.
